

Matheus Lumber - Post Falls, Idaho

Matheus' Post Falls, ID branch is expanding rapidly to accommodate the increased population growth of Eastern Washington, Idaho Panhandle and Western Montana. The branch has a large yard with indoor storage. With a growing staff of eight people and two delivery trucks with forklift-equipped flatbeds, the branch can quickly fill and deliver orders throughout the Spokane, Coeur d'Alene area. They have supplied framing lumber, specialty kiln dried timbers, panels and concrete forming materials for a number of local projects, including the Northern Quest Casino and high-end custom homes in the resort of Gozzer Ranch. They also service national accounts and can arrange for shipping anywhere in the nation. Major projects they have recently supplied materials for include: Malmstrom Air Force Base near Great Falls, MT, Northern Quest Casino in Airway Heights, WA and numerous schools, apartments, and motels throughout the Northwest.

Our Products:

Lumber and Timber: All sizes, rough or surfaced, treated and untreated, from dunnage to finish.

Sheathing: Rated plywood and OSB, rough and sanded, siding and paneling, forming and underlayments.

Concrete Forms: All types and grades from BBX-OES to HDO 100/100 for achieving one to one hundred pours.

Engineered Wood Products: All sizes and truss types, including cantilevered, treated and prefabricated.

Species: Douglas fir, Hemlock, Spruce-Pine-Fir, Western Red Cedar, Redwood and some hardwoods.

Fabrication:

Matheus Lumber has specialized in the fabrication of wood members for over 75 years. This includes drilling, trimming, and assembly of treated members. The following are examples of available products: tunnel lagging, crane mats, bridge timbers, floats, railroad ties, docks and piers, guard rail posts, form panels, piling, timber trusses, keel blocks, special crates, and truck bed lumber. We can also dap, adze, bore, cant, cut curves, dado and trim when required prior to preservative treatments.

At Matheus Lumber we have a long tradition of providing quality products and outstanding customer service to the North American building industry. For over 75 years, Matheus has offered personalized service from a team of professional wood products technicians who know the business and understand the products available today. As one of the last true lumber wholesalers in the country, our team can answer all of your technical questions, from span specifications and grade rules to species options. The company operates branch offices and supply yards in Woodinville, WA, Vancouver, WA, Ellensburg, WA, Post Falls, ID and San Marcos, TX.
